Project title: ctrlZ Freelancers
Photo Series

Executive Summary

This project aims to create a curated photo series that captures the essence of freelancing life through six distinct photographs. Each image should tell a visual story that reflects the creativity, resilience, and lifestyle of freelancers in Bahrain. The photographs will be used for ctrlZ's promotional campaigns, social media, and internal storytelling to humanize the platform and showcase the diverse ways freelancers work and live.

Your task

- Conceptualize and produce a series of six themed photographs representing freelancers' lives in different settings.
- Suggested themes:
 1. Workspace at Home – freelancer working in a cozy, personal setup.
 2. On-Campus Hustle – freelancer balancing studies and freelance projects.
 3. Outdoor Café Scene – freelancer working remotely in a social environment.
 4. Team Collaboration – group of freelancers brainstorming or co-working.
 5. Late-Night Grind – freelancer working under low light, showing dedication.
 6. Client Interaction – professional setup with a freelancer presenting work.
- Ensure diversity in settings, mood, and composition.
- Edit photos to match ctrlZ's modern and vibrant aesthetic, with consistent tones.
- Deliver both raw and edited images, ready for social and print.
