WHO?

Who Are We?

CTRL+Z is a purpose-driven freelancing platform created exclusively for Bahrain Polytechnic students and graduates. We are a community of innovators, connectors, and enablers dedicated to empowering the next generation of Bahraini talent.

WHAT?

What We Do

We connect tech-savvy, entrepreneurial Gen Z students and graduates with flexible, creative, and financially rewarding freelance opportunities. Our platform offers a trusted, supportive environment where users can build real-world experience, develop their skills, and showcase their talents through diverse projects tailored to their interests and expertise.

WHY?

why we do that?

We started CTRL+Z because we saw talented Bahrain Polytechnic students and graduates struggling to find meaningful, flexible work that matches their skills and ambitions. Our story is about bridging the gap between what's learned in the classroom and what's needed in the real world. By empowering young professionals to gain experience, financial independence, and confidence, we help them unlock their full potential and shape their own futures. That's what drives us every day.

WHOM?

For Whom?

CTRL+Z is built for Bahrain Polytechnic's students and graduates—ambitious individuals aged 18–30 who value flexibility, creativity, and growth. Whether just starting out or looking to expand their portfolio, our platform is designed to serve those seeking new opportunities, practical experience, and a supportive community that understands their unique needs and aspirations.

What is our Mission?

We at CTRL+Z provide Bahrain Polytechnic students and graduates with opportunities to gain experience through flexible freelance opportunities, that empowers them to foster their creativity through our platform that will serve as a bridge between individuals and companies needing their talent.

What we Envision?

At CTRL+Z, we envision a world where every Bahrain Polytechnic student shapes their future with fearless flexibility—unleashing bold creativity, seizing empowering opportunities, and building unshakable trust in a community backed by Alsalam Bank despite their experience.
